**Re: LETTER OF APPRECIATION**

**Dear Mr. Heinrich Torlage,**

Sci-Bono Discovery Centre would like to express our sincere appreciation for your participation in our Transport Week event which took place from the 24-28 October 2016.

During the focus week we were able to reach a total of 5,339 learners from 22 disadvantaged schools in Gauteng. Of this total, 1,351 learners were from Grade 4-7 and 3,988 learners were from Grades 8-11. We were also honoured by a visit from the Deputy Minister of Transport, Ms. Lydia Sindisiwe Chikunga on the opening day. With the support we received from your organization, the Gauteng Department of Education and South African Maritime Safety Authority, we were able to afford all of these learners an amazing experience which they would not otherwise have had the opportunity to be exposed to. Kindly find attached a list of all the schools who participated in the Transport Week event.

We greatly appreciate your kindness and patience in providing your services to Sci-Bono and hope to continue this partnership with you into the future.

**Yours Sincerely,**

**Akash Dusrath**
